Practice Facility

The Federal Club features a nationally ranked short game facility with five spacious bent grass tee boxes totaling over one acre of hitting space. The golfer will immediately feel true golf course conditions while looking out over a fairway strategically designed with seven bunkers and five target greens. There is a putting and chipping green with an approach specifically designed for uphill lob and pitch shots. A deep greenside bunker is placed to fine tune your sand play. At the south end of the range, we offer a 3.5 acre short game area with two target greens, four bunkers and a sprawling fairway. Our short game area was created for every golfer to work on the most important part of the game - the shot from within 40 yards. In the Fall of 2016, The Federal Club will open two new putting greens. A small one will be located just off the rear patio of the new clubhouse. A championship size putting green will be added just below the existing putting area which will be converted into an additional chipping area.

Member - Guest Fees

Golf rates include greens fee, range usage and cart. Individual guest may not play more than six rounds annually.

Golf (Monday - Thursday)	\$80

Spring Creek Golf Course

Spring Creek Golf Course is a nationally recognized golf facility on 125 acres of scenic country just east of Charlottesville, Virginia. Meticulously groomed and ingeniously laid out, Spring Creek unfolds over peaceful rolling hills and woods of Central Virginia Piedmont. Throughout the course, rock walls and bridges emphasize a theme of old-fashioned elegance. Bent grass fairways, beautiful greens and the natural contour of the land help make Spring Creek a unique and exceptional golfing experience.
