These classes are geared towards ladies of all skill levels. Participants will follow the Operation 36 guidelines of starting at 25 yards out for 9 holes, and will play at that yardage until they can shoot 36 or better. Yardages are 25, 50, 100, 150, 200, and then the regulation tees. The academy classes will consist of instruction on the practice facility, on-course instruction, and fun games that make learning more fun than traditional instruction. While we will focus on the short game, we will include full iron/wood swing instruction during the semester.
