**PLAY BETTER  
IN  
2019!**

The Federal Club Academy's Game Improvement Clinics are geared towards improving your score by covering all aspects of the game with a low student to instructor ratio. We will need a minimum of 2 students to offer each session, with a maximum class size of 4. Each student who signs up will also receive a private 30 minute swing evaluation using Trackman. If none of the dates below work for you, you can make up your own class with friends and take advantage of this pricing!
