The Federal Club Junior Academy uses the Operation 36 framework to structure our junior golf program. It consists of Coaching, Playing (9 Hole Matches), and Training (Weekly classes) and is designed to teach golfers to play the game from a hole out perspective. The above graphic details the program, juniors start at 25 yards and work back. The juniors progress to the next division by shooting par or better (score of 36) for 9 holes. Each golfer will be issued a profile in the Operation 36® Mobile App to track progress through a 6 level curriculum that is designed to set appropriate objectives and challenge each student.
